III. BACKGROUND:

Failure to File Forty-Eight Hour Notifications

People for Patty Murray U.S. Senate Campaign ("the Committee") has failed to file 48-Hour Notifications ("48-Hour Notices") totaling \$52,758.20 received prior to the 1998 General Election.

The candidate was involved in the 1998 Washington General Election held on November 3, 1998. Prior Notice was sent to the Committee on September 30, 1998 (Attachment 2). The Notice includes a section titled "48 Hour Notices on Contributions". This section reads "Notices are required if the committee receives contributions (including in-kind gifts or advances of goods or services; loans from the candidate or other non-bank sources; and guarantees or endorsements of loans to the candidate or committee) of \$1,000 or more, during the period October 15 through October 31. The notices must reach the appropriate federal and state filing offices within 48 hours of the committee's receipt of the contribution(s)".

On November 18, 1998, the Committee faxed a document to the Commission. The treasurer had written on the cover sheet that "This report was overlooked and was not faxed within the appropriate time-frame. My sincere apologies" (Attachment 6).

On January 12, 1999, a Request for Additional Information ("RFAI") was sent to the Committee (Attachment 4). The RFAI notes on an informational basis that the Committee may have failed to file or to have filed timely one or more of the required 48-Hour Notices for "last minute" contributions of \$1000 or more. The notice requests the Committee to review their procedures for checking contributions received during the aforementioned time period. In addition, the notice states that although the Commission may take legal action, any response would be taken into consideration.

On February 4, 1999, the analyst spoke with the treasurer regarding the Request for Additional Information ("RFAI") sent on the 30 Day Post-General Report. The analyst recommended that the Committee provide an explanation regarding how the Committee's 48-Hour Notice procedure could have broken down and what steps would be taken to rectify the situation in the future (Attachment 7, at the end of the referral).

The Committee's February 5, 1999 response states that "[t]he campaign has reviewed the manner in which 48 Hour Reports were handled, and has made recommendations for the procedure in the future" (Attachment 5). The Committee's amended 30 Day Post-General Reports dated March 19, April 21 and June 9, 1999 do not address this issue.

\*48-Hour Notice filed November 18, 1998.

\*\*\*The same receipt date is reported by the conduit committee. It appears that this contribution would have required the filing of a 48-Hour Notice.

REPORT	REPORTING PERIOD*	REG./CERT.	FILING DATE
		MAILING DATE**	
Pre-General	10/01/98 - 10/14/98	10/19/98	10/22/98
	---48 Hour Notices---		
Post-General	10/15/98 - 11/23/98	12/03/98	12/03/98

**WHO MUST FILE**

All 1998 general election principal campaign committees of congressional candidates (including unopposed candidates) who seek election in the November 3, 1998, General Election must file the Pre- and Post-General Election Reports. If the campaign has an authorized committee(s), in addition to the principal campaign committee, the principal campaign committee must also file a consolidated report on Form 3Z and attach the report(s) of the authorized committee(s).

**48 HOUR NOTICES ON CONTRIBUTIONS**

Notices are required if the committee receives contributions (including in-kind gifts or advances of goods or services; loans from the candidate or other non-bank sources; and guarantees or endorsements of loans to the candidate or committee) of \$1,000 or more, during the period October 15 through October 31.

The notices must reach the appropriate federal and state filing offices within 48 hours of the committee's receipt of the contribution(s). U.S. House candidates faxing 48-hour notices should transmit them to the FEC at 202/219-0174. Senate candidates should transmit them to the Secretary of the Senate at 202/224-1851. Note that 48-hour notices are the only FEC documents that may be faxed.

\*These dates indicate the beginning and the end of the reporting period. A reporting period always begins the day after the closing date of the last report filed. If the committee is new and has not previously filed a report, the first report must cover all activity that occurred before the committee registered.

\*\* Reports sent by registered or certified mail must be postmarked by the mailing date; otherwise, they must be received by the filing date.

P.O. Box 3662

JAN 12 1999

Identification Number: C00257642

Reference: 30 Day Post-General Report (10/15/98-11/23/98)

Dear Ms. Mast:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for Line(s) 14 and 16 and any subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the year-to-date totals for the calendar year 1998.

-Line 10 of the Summary Page of your report discloses \$69,699.09 in outstanding obligations. Schedule D of your report discloses \$68,699.09 in outstanding debts. Please correct this discrepancy and file an amendment to your report. (11 CFR §104.3(d))

-Your committee filed 48 hour notices reporting the following "last minute" contributions:

<u>Contributor</u>	<u>Date</u>	<u>Amount</u>
Marc Weiss	10/27/98	\$1000
Nancy Mayer	10/27/98	\$1000

PEOPLE FOR PATTY MURRAY US SENATE CAMPAIGN COMMITTEE  
PAGE 2

Walter Gilbert	10/27/98	\$1000
Wylie Aitken	10/30/98	\$1000
Foundation Health Corp.	10/30/98	\$1000

These contributions do not appear on Schedule A of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies.

-Schedule D of your report fails to supply certain information. Commission Regulations require the full name and mailing address of each creditor, the outstanding balance at the beginning and end of the reporting period, the amount incurred during this period, any payment made during this period, and the nature or purpose of each debt. All debts must be reported until extinguished or settled. Please amend your report to include the purpose. (11 CFR §104.11)

-Schedule A of your report indicates that your committee may have failed to file or to have filed timely one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-General Report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to provide concerning this matter will be considered. (11 CFR §104.5(f))

EMS

-Schedule A of your report discloses a contribution(s) which appears to exceed the limits set forth in the Act (copies attached). You should examine all of your contributions to check for additional excessives. The Committee's procedures for processing contributions should also be reviewed.

An individual or a political committee other than a qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of \$1,000 per election. A qualified multicandidate committee and all affiliated committees may not make a contribution(s) to a candidate for

2025-10-14 10:40:23

PEOPLE FOR PATTY MURRAY US SENATE CAMPAIGN COMMITTEE  
PAGE 3

federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441a(a) and (f); 11 CFR §110.1(b), (e) and (k))

If the contribution(s) in question was not completely or correctly reported, you should amend your original report using the new or corrected information. If the contribution(s) exceeds the limits, you should either refund to the donor the amount in excess of \$1,000 or request a written redesignation and/or reattribution of the contribution(s) from the donor. All refunds, redesignations, and reattributions must be made within sixty days of receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §104.8(d)(2), (3) and (4))

The acceptance of excessive contributions is a serious problem. Again, the committee's procedures for processing contributions should be examined and corrected in order to avoid this problem. Although the Commission may take further legal action, prompt action by you to refund or seek redesignation and/or reattribution of the excessive amount will be considered.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Secretary of the Senate, 232 Hart Senate Office Building, Washington, DC 20510 within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.

Sincerely,

Dear Ms Smith:

This letter is in response to your letter of request for information. The following will provide the detail necessary. Enclosures are included.

Summary and Detailed Summary Pages, and Schedule D have been amended and included.

In regards to the filed 48 hour notices reporting the following "last minute" contributions:

Marc Weiss, Nancy Meyer, (not Mayer), Walter Gilbert, were conduit contributions and the campaign was notified of their donations for the 48 Hour Report, however, the necessary paperwork for data entry was not received by the campaign in a timely manner. They have since been entered.

[ Wylie Aiken was incorrectly attributed with a \$1000.00 donation on the 48 Hour Report when the check was signed by Elizabeth Aiken and was attributed to her on Schedule A of this report. ]

The Foundation Health Corp. PAC contribution was incorrectly attributed, by data entry, to Jack Tornow. Schedule A reports the \$1000.00 to Jack Tornow. The data entry has been corrected.

Schedule D has been amended and included to list the purpose of the debt.

◀ The campaign has reviewed the manner in which 48 Hour Reports were handled, and has made recommendations for the procedure in the future. ▶ EMS

In regards to following individual contributions on Schedule A:

Maureen Benoliel was attributed with the \$500.00 contribution that was made by Joel Benoliel. The error has been corrected.

Kathleen Staasen Berger was refunded \$1000.00.

B. Jo Brewer's contribution of October 20, 1998 was incorrectly coded to the primary election rather than the general election.

Maya Miller was refunded \$1000.00.

Cheryl Pope was attributed all \$1400.00 while \$400.00 was meant for her husband William Pope.

Victor Rosellini was refunded \$500.00.

Howard Schultz was refunded \$1000.00.

A written response and amendment to our original report, correcting the above problems, has been filed with the Secretary of the Senate, and the Washington Public Disclosure Commission.

Sincerely,

Sharon K. Mast

SUBJECT: RAD Referral 99 L 08

After this matter was activated in March, I noticed that we did not have a copy of Attachments 6 and 7 of RAD's referral. These attachments were not in Docket's file either. Shawn Woodhead Werth of RAD's Compliance Branch sent me copies of those attachments which I am enclosing here for the Docket file. I have included these attachments in the First General Counsel's Report to the Commission since an inquiry to a Commissioner's office determined that they were not included in the copy of the referral circulated to the Commissioners after the case was rated.

MEMORANDUM TO FILES: Telephone Log      DATE: February 4, 1999

NAME OF COMMITTEE: People for Patty Murray U.S. Senate Campaign

SUBJECT: 30 Day Post-General Report RFAI

FEC REP: Elise M. Smith, Reports Analyst

COMMITTEE REP: Sharon Mast, Treasurer

---

I spoke with Sharon Mast about the RFAI sent on the 30 Day Post-General report and how she should amend their report. She wanted know how she should amend the problem of missing Schedule A entries for people who were disclosed on the 48 hour notices. I explained that she could provide the missing Schedule A or a valid explanation.

I briefly went over the other problems in the RFAI to make sure she didn't have other questions. I also brought to her attention the informational blurb regarding the 48 hour notices that were not filed or were filed late. I explained that usually committees address the problem with a paragraph explaining their 48 hour notice procedures and how those procedures might have failed in this instance. I also explained that committees typically provide a plan of action to prevent the problem in future election cycles.
